**REVOLVING CREDIT AGREEMENT**, dated as of March 28, 2017, among SOUTHWEST GAS HOLDINGS, INC., a California corporation (the “Borrower”), each of the lenders from time to time parties to this Agreement (collectively, the “Lenders”), and THE BANK OF NEW YORK MELLON, as Administrative Agent (the “Administrative Agent”).

**WITNESSETH:**

WHEREAS, the Borrower has requested the Lenders severally to commit to lend to the Borrower up to \$100,000,000 on a revolving basis to fund fees and expenses associated with this Agreement (as defined below) and for general corporate purposes; and

WHEREAS, the Lenders are willing to make such loans, on the terms and conditions provided herein;

**NOW, THEREFORE**, the parties agree as follows:

**ARTICLE I**

**DEFINITIONS**

Section 1.01 Definitions.

(a) Terms Generally. The definitions ascribed to terms in this Agreement apply equally to both the singular and plural forms of such terms. Whenever the context may require, any pronoun shall be deemed to include the corresponding masculine, feminine and neuter forms. The words “include”, “includes” and “including” shall be interpreted as if followed by the phrase “without limitation”. The phrase “individually or in the aggregate” shall be deemed general in scope and not to refer to any specific Section or clause of this Agreement. All references herein to Articles, Sections, Exhibits and Schedules shall be deemed references to Articles and Sections of, and Exhibits and Schedules to, this Agreement unless the context shall otherwise require. The table of contents, headings and captions herein shall not be given effect in interpreting or construing the provisions of this Agreement. Except as otherwise expressly provided herein, all references to “dollars” or “\$” shall be deemed references to the lawful money of the United States of America.

(b) Accounting Terms. Except as otherwise expressly provided herein, the term “consolidated” and all other terms of an accounting nature shall be interpreted and construed in accordance with GAAP, as in effect from time to time; provided, however, that, for purposes of determining compliance with any covenant set forth in Article VII, such terms shall be construed in accordance with GAAP as in effect on the date of this Agreement, applied on a basis consistent with the construction thereof applied in preparing the Borrower’s audited financial statements referred to in Section 5.01(k). If

there shall occur a change in GAAP which but for the foregoing proviso would affect the computation used to determine compliance with any covenant set forth in Article VII, the Borrower and the Lenders agree to negotiate in good faith in an effort to agree upon an amendment to this Agreement that will permit compliance with such covenant to be determined by reference to GAAP as so changed while affording the Lenders the protection intended to be afforded by such covenant prior to such change (it being understood, however, that such covenant shall remain in full force and effect in accordance with its existing terms unless and until such amendment shall become effective).

To request an increase pursuant to this Section 2.03(c), the Borrower shall submit to the Administrative Agent an Increase Request, in the form annexed hereto as Exhibit G, signed by the Borrower, which shall be irrevocable and shall specify, as the case may be: (A) each such Lender and the amount of the proposed increase in its Commitment, or (B) the proposed Commitment for such New Lender. Promptly following receipt of an Increase Request, the Administrative Agent shall advise each Lender of the details thereof. If one or more of such Proposed Lenders shall have unconditionally agreed to such Increase Request in a writing delivered to the Borrower and the Administrative Agent (each such existing Lender and New Lender being hereinafter referred to as an "Incremental Lender"), then: (1) each such Incremental Lender which shall then be an existing Lender shall have its Commitment increased by the amount set forth in such Increase Request, and (2) each such New Lender shall be and become a "Lender" hereunder having a Commitment equal to the amount set forth

therefor in such Increase Request, provided, however, that in each such case: (I) immediately before and after giving effect thereto, no Default or Event of Default shall or would exist, (II) each such Incremental Lender shall have executed and delivered to the Administrative Agent a supplement to this Agreement, in the form annexed hereto as Exhibit I, providing for its increased Commitment or its Commitment, as applicable, in form approved by the Administrative Agent, (III) immediately after giving effect thereto, the Total Commitment under this Agreement shall not exceed \$200,000,000, (IV) each such Increase Request shall be in an aggregate minimum amount of \$10,000,000 or an integral multiple of \$5,000,000 in excess thereof, and (V) the Commitment extended by any such Incremental Lender which is a New Lender shall be in a minimum amount of \$5,000,000 or an integral multiple of \$1,000,000 in excess thereof.

(d) Simultaneously with each increase in the aggregate amount of the Commitments under Section 2.03(c), each Incremental Lender shall, to the extent necessary, purchase from each other Lender, and each other Lender shall sell to each Incremental Lender, in each case at par and without representation, warranty, or recourse (in accordance with and subject to the restrictions contained in Section 10.03), such principal amount of the Loans of such other Lender, together with all accrued and unpaid interest thereon, as will result, after giving effect to such transaction, in each Lender's Applicable Percentage of Loans outstanding being equal to such Lender's Applicable Percentage of all Loans, provided that each such assignor Lender shall have received (to the extent of the interests, rights and obligations assigned) payment of the outstanding principal amount of such Loans, accrued interest thereon, accrued fees, commissions and all other amounts payable to it under the Credit Documents from the applicable assignee Lenders (to the extent of such outstanding principal and accrued interest, fees and commissions) or the Borrower (in the case of all other amounts).

(e) The Borrower may, by written notice to the Administrative Agent (which shall promptly deliver a copy to each of the Lenders) not less than 30 days and not more than 90 days prior to the first, second, third, fourth and/or fifth anniversary of the Effective Date, an Extension Request, in the form annexed hereto as Exhibit H, signed by the Borrower, request that the Lenders extend the Termination Date then in effect and the Commitments for an additional period of one year. Each Lender shall, by notice to the Borrower and the Administrative Agent given not later than the 15th day after the date of the Administrative Agent's receipt of the Borrower's extension request, advise the Borrower whether or not it agrees to the requested extension (each Lender agreeing to a requested extension being called a "Consenting Lender" and each Lender declining to agree to a requested extension being called a "Declining Lender"). Any Lender that has not so advised the Borrower and the Administrative Agent by such day shall be deemed to have declined to agree to such extension and shall be a Declining Lender. If Lenders constituting the Required Lenders shall have agreed to an extension request in their sole and absolute discretion, then the Termination Date shall, as to the Consenting Lenders, be extended to the first anniversary of the Termination Date theretofore in effect. The decision to agree or withhold agreement to any Termination Date extension shall be at the

sole discretion of each Lender. The Commitment of any Declining Lender shall terminate on the Termination Date in effect prior to giving effect to any such extension (such Termination Date being called the “Existing Termination Date”). Notwithstanding the foregoing provisions of this Section 2.03(e), the Borrower shall have the right, with the prior written consent (not to be unreasonably withheld) of the Administrative Agent, at any time prior to the Existing Termination Date, to replace a Declining Lender with a Lender or Eligible Institution that will agree to a request for the extension of the Termination Date then in effect, and any such Replacement Lender shall for all purposes constitute a Consenting Lender, provided, however, that in each such case (i) each such Replacement Lender shall have executed and delivered to the Administrative Agent a supplement to this Agreement, in the form annexed hereto as Exhibit J, providing for its Commitment, and (ii) the Declining Lender shall assign, in accordance with Section 10.03(a), all or part, as the case may be, of its Loans, Commitment, Revolving Credit Note and other rights and obligations under this Agreement and all other Credit Documents to such Replacement Lender, in exchange for payment of the principal of, and interest accrued to the date of such payment on, Loans owing to such Declining Lender and any accrued Commitment Fees owing to such Declining Lender; and upon such payments, the obligations of such Declining Lender hereunder in respect of its Commitment shall, by the provisions hereof, be released and discharged and such Replacement Lender shall be and become a “Lender” hereunder having a Commitment equal to the amount set forth therefor in such supplement. Notwithstanding the foregoing, no extension of the Termination Date pursuant to this paragraph shall become effective unless (i) the Administrative Agent shall have received documents consistent with those delivered with respect to the Lender under Section 6.01(c), (d), (e)(ii) (it being understood and agreed that the date referred to in Section 6.01(e)(ii) shall refer to the date of the then most recently delivered audited financial statements required to be delivered pursuant to Section 7.01(a)(i)), (e)(iii), (e)(iv) and (e)(v), giving effect to such extension and (ii) on the date on which the Required Lenders shall have agreed to an extension request, (A) the conditions set forth in Section 6.02(b) shall be satisfied and (B) the representations and warranties contained in Section 5.01 shall be true and correct in all material respects (except to the extent that any representation or warranty speaks as of a date certain), except for any representation or warranty that is qualified by materiality or reference to Material Adverse Effect (in which case such representation or warranty shall be true and correct in all respects), and the Administrative Agent shall have received a certificate with respect to the matters referred to in clauses (A) and (B) dated such date and executed by a Responsible Officer. Unless a Declining Lender ceases to be a Lender hereunder pursuant to the above provisions in this Section 2.03(e), the Borrower hereby agrees to pay to the Administrative Agent in accordance with the terms of this Agreement, for distribution to the Declining Lenders, all of the outstanding Loans made by the Declining Lenders, together with all accrued and unpaid interest thereon and all accrued fees and other amounts payable to or for the accounts of the Declining Lenders on the Existing Termination Date, and, upon each Declining Lender’s receipt of such amounts, such Declining Lender shall cease to be a Lender hereunder.

Section 2.04 Repayment.

All Loans shall be repaid, together with all accrued and unpaid interest thereon, on the Termination Date.

Section 2.05 Optional Prepayment.

The Borrower may prepay Loans bearing interest on the same basis and having the same Interest Periods, if any, by giving notice to the Administrative Agent not later than 1:00 P.M., New York time, on the third Business Day preceding the proposed date of prepayment, in the case of Eurodollar Loans, or not later than 1:00 P.M., New York time, on the Business Day of the proposed prepayment, in the case of ABR Loans. Each such prepayment of Eurodollar Loans shall be in an aggregate principal amount of \$2,500,000 or in integral multiples of \$1,000,000 in excess thereof (or, if the aggregate amount of outstanding Eurodollar Loans is less than \$2,500,000, then all of such lesser amount), and each prepayment of ABR Loans shall be in an aggregate amount of \$1,000,000 or in integral multiples of \$100,000 in excess thereof (or, if the aggregate amount of outstanding ABR Loans is less than \$1,000,000, then all of such lesser amount), and, in the case of Eurodollar Loans, together with the amounts required by Section 4.03, accrued interest on the principal being prepaid to the date of prepayment. Subject to the terms and conditions of this Agreement, prepaid Loans may be reborrowed.

Section 2.06 Defaulting Lenders.

(a) Notwithstanding any provision of this Agreement to the contrary, if any Lender becomes a Defaulting Lender, then the following provisions shall apply for so long as such Lender is a Defaulting Lender:

(i) Commitment Fees shall cease to accrue on the Commitment of such Defaulting Lender pursuant to Section 3.07;

(ii) the Commitment and Loans of such Defaulting Lender shall not be included in determining whether all Lenders or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to Section 11.06); provided that any waiver, amendment or modification that would (A) increase the Commitment of such Defaulting Lender or subject such Defaulting Lender to any additional obligations, (B) reduce the principal of, or interest on, the Loans made by such Defaulting Lender or (C) postpone any date fixed for any payment of principal of, or interest on, the Loans made by such Defaulting Lender (which, for avoidance of doubt, shall not include forbearing from exercising remedies as a result thereof), shall require the consent of such Defaulting Lender; and

(iii) any amount payable to such Defaulting Lender hereunder (whether on account of principal, interest, fees or otherwise and including any amount that would

otherwise be payable to such Defaulting Lender) shall, in lieu of being distributed to such Defaulting Lender, be retained by the Administrative Agent in a segregated account and, subject to any applicable requirements of law, be applied at such time or times as may be determined by the Administrative Agent, in the following order of priority: (A) first, to the payment of any amounts owing by such Defaulting Lender to the Administrative Agent hereunder, (B) second, as the Borrower may request (so long as no Default or Event of Default exists) to the funding of any Loan in respect of which such Defaulting Lender has failed to fund its portion thereof as required by this Agreement, (C) third, if so determined by the Administrative Agent and the Borrower, held in such account as cash collateral for future funding obligations of the Defaulting Lender in respect of any Loans under this Agreement, and (D) fourth, so long as no Default or Event of Default exists, to the payment of any amounts owing to the Borrower as a result of any judgment of a court of competent jurisdiction obtained by the Borrower against such Defaulting Lender as a result of such Defaulting Lender's breach of its obligations under this Agreement.

(b) The Borrower may, by ten Business Days' notice in writing to the Administrative Agent and a Defaulting Lender, (i) request such Defaulting Lender to cooperate with the Borrower in obtaining a Replacement Lender for such Defaulting Lender; (ii) request the non-Defaulting Lenders to acquire and assume all or a portion of such Defaulting Lender's Loans and Commitment, but none of such Lenders shall be obligated to do so; or (iii) propose a Replacement Lender. If a Replacement Lender shall be accepted by the Administrative Agent or one or more of the non-Defaulting Lenders shall agree to acquire and assume all or part of a Defaulting Lender's Loans and Commitment, then such Defaulting Lender shall assign, in accordance with Section 10.03(a), all or part, as the case may be, of its Loans, Commitment, Revolving Credit Note and other rights and obligations under this Agreement and all other Credit Documents to such Replacement Lender or non-Defaulting Lenders, as the case may be, in exchange for payment of the principal of, and interest accrued to the date of such payment on, Loans owing to such Defaulting Lender and any accrued Commitment Fees owing to such Defaulting Lender; and upon such payments, the obligations of such Defaulting Lender hereunder in respect of its Commitment shall, by the provisions hereof, be released and discharged; provided, however, that such Defaulting Lender's rights under Sections 4.03, 4.04 and 4.06, and its obligations under Section 9.06 shall survive such release and discharge as to matters occurring prior to such date; provided further, however, that such assignment shall be on the terms and conditions set forth in Section 10.03(a). If the Replacement Lender and the non-Defaulting Lenders shall only be willing to acquire less than all of a Defaulting Lender's outstanding Loans and Commitment, the Commitment of such Defaulting Lender shall not terminate, but shall be reduced proportionately, and such Defaulting Lender shall continue to be a "Lender" hereunder with a reduced Commitment and Pro Rata Share. Upon the effective date of such assignment, such Replacement Lender shall, if not already a Lender, become a "Lender" for all purposes under this Agreement and the other Credit Documents.

(c) The rights and remedies against a Defaulting Lender under this Section 2.06 are in addition to other rights and remedies that the Borrower, the Administrative Agent or any Lender may have against such Defaulting Lender.

(d) In the event that the Administrative Agent and the Borrower agree that a Defaulting Lender has adequately remedied all matters that caused such Lender to be a Defaulting Lender, then such Lender shall purchase at par such of the Loans of the other Lenders as the Administrative Agent shall determine may be necessary in order for such Lender to hold such Loans ratably in accordance with its Commitments and such Lender shall no longer be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of the Borrower while that Lender was a Defaulting Lender; and provided further that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

### ARTICLE III

#### INTEREST AND FEES

##### Section 3.01 Interest Rate Determination; Conversion.

(a) Except to the extent that the Borrower shall request, in a Borrowing Request, in a Conversion Request or in a written election pursuant to Section 3.03(b), that Loans (or portions thereof) bear interest as Eurodollar Loans, Loans shall bear interest as ABR Loans.

(b) The Borrower may request, by giving a Conversion Request to the Administrative Agent, not later than 1:00 P.M., New York time, on the third Business Day prior to the requested Conversion Date, that all or portions of the outstanding Loans, in the aggregate principal amount of \$2,500,000 or in integral multiples of \$1,000,000 in excess thereof, in the case of Loans being converted to or continued as Eurodollar Loans, and in the aggregate principal amount of \$1,000,000 or in integral multiples of \$100,000 in excess thereof (or, if the aggregate principal amount of outstanding Loans is less than \$1,000,000, then all such lesser amount), in the case of ABR Loans, bear interest from and after the Conversion Date as either ABR Loans or Eurodollar Loans; provided, however, that during the continuance of any Default or Event of Default that shall have occurred, no Loan (or portion thereof) may be converted into Eurodollar Loans. Upon receipt, the Administrative Agent forthwith shall give notice to each Lender of the substance of each Conversion Request. Upon payment by the Borrower of the amounts, if any, required by Section 4.03, on the Conversion Date the Loans or portions thereof as to which the Conversion Request was made shall commence to accrue interest in the manner selected by the Borrower therein.

Section 3.02 Interest on ABR Loans.

Each ABR Loan shall bear interest from the date made until the date repaid, or (if converted into a Eurodollar Loan) to (but excluding) the first day of any relevant Interest Period, as the case may be, payable in arrears on the last day of each calendar quarter of each year, commencing with the first such date after the Effective Date, and on the date such Loan is repaid, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) the Alternate Base Rate in effect from time to time, which rate shall change as and when said Applicable Margin or Alternate Base Rate shall change.

Section 3.03 Interest on Eurodollar Loans.

(a) Each Eurodollar Loan shall bear interest from the date made until the date repaid or converted to an ABR Loan, payable in arrears, with respect to Interest Periods of three months or less, on the last day of such Interest Period, and with respect to Interest Periods longer than three months, the respective dates that fall every three months after the commencement of such Interest Period and on the last day of such Interest Period, at a rate per annum equal to the sum of (i) the Applicable Margin and (ii) the LIBOR rate for such Interest Period.

(b) Each Eurodollar Loan shall become an ABR Loan at the end of the Interest Period therefor, unless (i) there shall not have occurred and be continuing a Default or Event of Default and (ii) not later than the third Business Day prior to the last day of such Interest Period, (x) the Borrower shall have delivered to the Administrative Agent an irrevocable written election of the subsequent Interest Period, in which case such Eurodollar Loan shall remain outstanding as a Eurodollar Loan, or (y) the Borrower shall have delivered to the Administrative Agent a Conversion Request with respect thereto, in which case such Eurodollar Loan shall be converted in accordance with Section 3.01(b).

(c) If, during any period, a Lender shall be required to maintain reserves against "Eurocurrency Liabilities" in accordance with Federal Reserve Board Regulation D (or any successor regulation), the Borrower shall pay additional interest during such period on each outstanding Eurodollar Loan of such Lender (contemporaneously with each interest payment due thereon commencing with the first such payment due at least five Business Days after receipt of the notice referred to in the next sentence) at a rate per annum up to but not exceeding the marginal rate determined by the following formula:

$$\frac{\text{LIBOR}}{1 - \text{Eurodollar Reserve Percentage}} - \text{LIBOR}$$

Each Lender shall promptly notify the Borrower, with a copy to the Administrative Agent, upon becoming aware that the Borrower may be required to make a payment of additional interest to such Lender. When requesting payment pursuant to this Section 3.03(c), a Lender shall provide to the Borrower, with a copy to the Administrative Agent,

a certificate, signed by an officer of such Lender setting forth, in reasonable detail, the basis of such claim, the amount required to be paid by the Borrower to such Lender and the computations made by such Lender to determine such amount. Absent demonstrable error, such certificate shall be binding as to the amounts of additional interest owing in respect of such Lender's Eurodollar Loans. Any Lender that gives notice under this Section 3.03(c) shall promptly withdraw such notice (by written notice of withdrawal given to the Administrative Agent and the Borrower) whenever such Lender is no longer required to maintain such reserves or the circumstances giving rise to such notice shall otherwise cease.

Section 3.04 Interest on Overdue Amounts.

All overdue amounts (including principal, interest and fees) hereunder shall bear interest, payable on demand, at a rate per annum equal to the sum of (i) 2% and (ii) in the case of Eurodollar Loans, the rate then applicable until the end of the current Interest Period therefor, and thereafter the rate of interest applicable to ABR Loans, changing as and when such rate shall change, and in the case of ABR Loans, the rate of interest applicable thereto, changing as and when such rate shall change.

Section 3.05 Day Counts.

Interest on ABR Loans shall be calculated on the basis of (a) a 365- or, if applicable, a 366-day year for the actual number of days elapsed for so long as interest is determined pursuant to clause (i) of the definition of "Alternate Base Rate" and (b) a 360-day year for the actual number of days elapsed for so long as interest is determined based on clause (ii) or clause (iii) of the definition of "Alternate Base Rate". Interest on all other Loans, and all fees shall be calculated on the basis of a 360-day year for the actual number of days elapsed.

Section 3.06 Maximum Interest Rate.

(a) Nothing in this Agreement shall require the Borrower to pay interest at a rate exceeding the maximum rate permitted by applicable law. Neither this Section nor Section 11.01 is intended to limit the rate of interest payable for the account of any Lender to the maximum rate permitted by the laws of the State of New York (or any other applicable law) if a higher rate is permitted with respect to such Lender by supervening provisions of U.S. Federal law.

(b) If the amount of interest payable for the account of any Lender on any interest payment date in respect of the immediately preceding interest computation period, computed pursuant to this Article III, would exceed the maximum amount permitted by applicable law to be charged by such Lender, the amount of interest payable for its account on such interest payment date shall automatically be reduced to such maximum permissible amount.

(c) If the amount of interest payable for the account of any Lender in respect of any interest computation period is reduced pursuant to Section 3.06(b) and the amount of interest payable for its account in respect of any subsequent interest computation period would be less than the maximum amount permitted by law to be charged by such Lender, then the amount of interest payable for its account in respect of such subsequent interest computation period shall be automatically increased to such maximum permissible amount; provided that at no time shall the aggregate amount by which interest paid for the account of any Lender has been increased pursuant to this Section 3.06(c) exceed the aggregate amount by which interest paid for its account has theretofore been reduced pursuant to Section 3.06(b).

Section 3.07 Commitment Fees.

The Borrower agrees to pay to the Administrative Agent, for the account of each Lender, on the last day of each calendar quarter of each year, commencing with the first such day after the Effective Date (or such later date on which such Lender becomes a Lender), and on the Termination Date (or other date on which the Commitment shall terminate) with respect to such Lender, a fee (the "Commitment Fee") computed by applying (i) on each day on which the applicable Pricing Level set forth below is in effect, the percentage per annum set forth below adjacent to such Pricing Level on such day during the then-ending quarter (or shorter period ending with the Termination Date or any other date on which the Commitment of such Lender shall terminate) to (ii) the amount of such Lender's Unused Commitment on such day:

<u>Pricing Level</u>	<u>Commitment Fee</u>
I	0.075%
II	0.080%
III	0.100%
IV	0.150%
V	0.175%
VI	0.200%

ARTICLE IV

**DISBURSEMENT AND PAYMENT**

Section 4.01 Disbursement.

(a) Each Loan shall be made by the relevant Lender from such Lender's branch or affiliate identified as its Applicable Lending Office.

(b) The failure of any Lender to make any Loan to be made by it on the Borrowing Date therefor shall not relieve any other Lender of its obligation to make its Loan or Loans on such date, but neither any Lender nor the Administrative Agent shall be responsible for the failure of any other Lender to make a Loan to be made by such other Lender.

(c) The Administrative Agent may, but shall not be required to, advance on behalf of any Lender the amount of such Lender's Loan to be made on a Borrowing Date, unless such Lender shall have notified the Administrative Agent prior to such Borrowing Date that it does not intend to make such Loan on such date. If the Administrative Agent makes any such advance, the Administrative Agent shall be entitled to recover the amount so advanced on demand from the Lender on whose behalf such advance was made and, if such Lender does not pay the Administrative Agent the amount of such advance on demand, the Borrower agrees promptly to repay such amount to the Administrative Agent. Until such amount is repaid to the Administrative Agent by such Lender or the Borrower, such advance shall be deemed for all purposes to be a Loan made on such Borrowing Date by the Administrative Agent. The Administrative Agent shall be entitled to recover from the Lender or the Borrower, as the case may be, interest on the amount advanced by it for each day from the Borrowing Date therefor until repaid to the Administrative Agent, at a rate per annum equal to the Federal Funds Effective Rate until the third Business Day after the date of the advance and, thereafter, at the rate per annum equal to the relevant rate on Loans made on the relevant Borrowing Date.

Section 4.02 Method and Time of Payments; Sharing among Lenders.

(a) All funds received by the Administrative Agent for the account of the Lenders in respect of payments made by the Borrower under, or from any other Person on account of, any Credit Document shall be distributed forthwith by the Administrative Agent among the Lenders, in like funds as received, ratably in proportion to their respective interests therein. Each payment of Commitment Fees and each reduction of the Total Commitment shall be apportioned among the Lenders in proportion to each Lender's Pro Rata Share.

(b) All payments by the Borrower hereunder shall be made without setoff or counterclaim to the Administrative Agent, for its account or for the account of the Lender or Lenders entitled thereto, as the case may be, in dollars and in immediately available

funds at the office of the Administrative Agent prior to 3:00 P.M., New York time, on the date when due; provided, however, that the Borrower shall have setoff rights with respect to any Defaulting Lender with the application of any amounts payable to a Defaulting Lender to be administered by the Administrative Agent pursuant to Section 2.06(a)(iii).

(c) Whenever any payment from the Borrower shall be due on a day that is not a Business Day, the date of payment thereof shall be extended to the next succeeding Business Day. If the date for any payment of principal is extended by operation of law or otherwise, interest thereon shall be payable for such extended time.

(d) Unless the Administrative Agent shall have received notice from the Borrower prior to the date on which any payment from the Borrower is due that the Borrower will not make such payment in full, the Administrative Agent may assume that the Borrower has made such payment in full to the Administrative Agent on such date and the Administrative Agent may, in reliance upon such assumption, but shall not be obligated to, cause to be distributed to each Lender on such due date an amount equal to the amount then due such Lender. If and to the extent that the Borrower shall not have so made such payment, each Lender shall repay to the Administrative Agent forthwith on demand such amount distributed to such Lender together with interest thereon, for each day from the date such amount is distributed to such Lender until the date such Lender repays such amount to the Administrative Agent, at the Federal Funds Effective Rate.

(e) If any Lender shall receive from the Borrower or any other Person any amount owing under any Credit Document (whether received pursuant to the exercise of any right of set-off, banker's lien, realization upon any security held for or appropriated to such obligation or otherwise) other than in proportion to such Lender's ratable share thereof, then such Lender shall purchase from each other Lender a participating interest in so much of the other Lenders' Loans as shall be necessary in order that each Lender shall share such payment with each of the other Lenders in proportion to each Lender's ratable share; provided that nothing herein contained shall obligate any Lender to apply any set-off, banker's lien or collateral security first to the obligations of the Borrower hereunder if the Borrower is obligated to such Lender pursuant to other loans or notes. If any purchasing Lender shall be required to return any excess payment received by it, such participation shall be rescinded and the purchase price restored to the extent of such return, but without interest.

#### Section 4.03 Compensation for Losses.

(a) If (i) the Borrower makes a prepayment, or a Conversion Date occurs, other than on the last day of the relevant Interest Period, (ii) the Borrower fails to borrow, convert, continue or prepay any Eurodollar Loan on the date specified in any notice delivered pursuant hereto, (iii) the Borrower revokes any Borrowing Request for Eurodollar Loans, (iv) Eurodollar Loans (or portions thereof) are converted into ABR Loans pursuant to Section 4.05 at any time other than at the end of an Interest Period or (v) Loans (or portions thereof) shall become or be declared to be due prior to the

scheduled maturity thereof, then the Borrower shall pay to each Lender an amount that will compensate such Lender for any loss (other than lost profit) or premium or penalty incurred by such Lender as a result of such prepayment, conversion, declaration or revocation in respect of funds obtained for the purpose of making or maintaining such Lender's Eurodollar Loans, or any portion thereof. Such compensation shall include an amount equal to the excess, if any, of (i) the amount of interest which would have accrued on the amount so paid or prepaid, or not borrowed or converted, for the period from the date of such payment or prepayment or conversion or failure to borrow to the last day of such Interest Period (or, in the case of a failure to borrow, the Interest Period that would have commenced on the date of such failure to borrow) in each case at the applicable rate of interest for such Eurodollar Loan provided for herein (excluding, however, any Applicable Margin included therein) over (ii) the amount of interest (as reasonably determined by such Lender) which would have accrued to such Lender on such amount by placing such amount on deposit for a comparable period with leading banks in the London interbank deposit market.

(b) In connection with a demand for payment pursuant to this Section 4.03, a Lender shall provide to the Borrower, with a copy to the Administrative Agent, a certificate, signed by an officer of such Lender, setting forth in reasonable detail the amount required to be paid by the Borrower to such Lender and the computations made by such Lender to determine such amount. In the absence of demonstrable error, such certificate shall be conclusive as to the amount so required to be paid.

#### Section 4.04 Withholding and Additional Costs.

(a) Withholding. (i) To the extent permitted by law, all payments under this Agreement and under the Revolving Credit Notes (including payments of principal and interest) shall be payable to each Lender free and clear of any and all present and future taxes, levies, imposts, duties, deductions, withholdings, fees, liabilities and similar charges other than Excluded Taxes (collectively, "Taxes"). If any Taxes are required to be withheld or deducted from any amount payable under this Agreement, then the amount payable under this Agreement shall be increased to the amount which, after deduction from such increased amount of all Taxes required to be withheld or deducted therefrom, will yield to such Lender the amount stated to be payable under this Agreement. The Borrower shall also hold each Lender harmless and indemnify it for any stamp or other taxes with respect to the preparation, execution, delivery, recording, performance or enforcement of the Credit Documents (all of which shall be included within "Taxes"). If any of the Taxes specified in this Section 4.04(a) are paid by any Lender, the Borrower shall, upon demand of such Lender, promptly reimburse such Lender for such payments, together with any interest, penalties and expenses incurred in connection therewith; provided, however, that the Borrower shall not be required to reimburse any Lender for any penalties incurred or caused by the failure or delay on the part of such Lender to pay any of the Taxes specified in this Section 4.04(a). The Borrower shall deliver to the Administrative Agent certificates or other valid vouchers for all Taxes or other charges

deducted from or paid with respect to payments made by the Borrower hereunder. Notwithstanding the foregoing, the Borrower shall be entitled, to the extent required to do so by law, to deduct or withhold (and shall not be required to make payments as otherwise required by this Section 4.04 on account of such deductions or withholdings) income or other similar taxes imposed by the United States of America from interest, fees or other amounts payable hereunder for the account of any Lender other than a Lender (A) that is a U.S. Person for U.S. federal income tax purposes or (B) that has the Prescribed Forms on file with the Borrower for the applicable year to the extent deduction or withholding of such taxes is not required as a result of such filing of such Prescribed Forms; provided that, if the Borrower shall so deduct or withhold any such taxes, the Borrower shall provide a statement to the Administrative Agent and such Lender, setting forth the amount of such taxes so deducted or withheld, the applicable rate and any other information or documentation which such Lender may reasonably request for assisting such Lender to obtain any allowable credits or deductions for the taxes so deducted or withheld in the jurisdiction or jurisdictions in which such Lender is subject to tax.

(ii) Each Lender that is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) agrees to deliver to the Borrower and the Administrative Agent on or prior to the Effective Date, or in the case of a Lender that is an assignee or transferee of an interest under this Agreement pursuant to Section 10.03 (unless the respective Lender was already a Lender hereunder immediately prior to such assignment or transfer), on the date of such assignment or transfer to such Lender, (i) if the Lender is a “bank” within the meaning of Section 881(c)(3)(A) of the Code, two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E or Form W-8ECI (or successor forms) or any other form (together with supplementary documentation) prescribed by applicable laws (collectively, the “Prescribed Forms”) certifying such Lender’s entitlement to a complete exemption from United States withholding tax with respect to payments to be made under this Agreement and under any Revolving Credit Note, or (ii) if the Lender is not a “bank” within the meaning of Section 881(c)(3)(A) of the Code, either Internal Revenue Service Form W-8BEN or Form W-8BEN-E or Form W-8ECI as set forth in clause (i) above, or (x) a certificate in substantially the form of Schedule II (any such certificate, a “Schedule II Certificate”) and (y) two accurate and complete original signed copies of Internal Revenue Service Form W-8BEN or Form W-8BEN-E (or successor form) certifying such Lender’s entitlement to an exemption from United States withholding tax with respect to payments of interest to be made under this Agreement and under any Revolving Credit Note. In addition, each Lender agrees that it will deliver upon the Borrower’s request updated versions of the foregoing, as applicable, whenever the previous certification has become obsolete or inaccurate in any material respect, together with such other forms as may be required in order to confirm or establish the entitlement of such Lender to a continued exemption from or reduction in United States withholding tax with respect to payments under this Agreement and any Revolving Credit Note. Notwithstanding anything to the contrary contained in this Section 4.04(a), but subject to the immediately

succeeding sentence, (x) the Borrower shall be entitled, to the extent it is required to do so by law, to deduct or withhold Taxes imposed by the United States (or any political subdivision or taxing authority thereof or therein) from interest, fees or other amounts payable hereunder for the account of any Lender which is not a United States person (as such term is defined in Section 7701(a)(30) of the Code) for U.S. federal income tax purposes to the extent that such Lender has not provided to the Borrower U.S. Internal Revenue Service Forms that establish a complete exemption from such deduction or withholding and (y) the Borrower shall not be obligated pursuant to this Section 4.04(a) to gross-up payments to be made to a Lender in respect of Taxes imposed by the United States if (I) such Lender has not provided to the Borrower the Internal Revenue Service Forms required to be provided to the Borrower pursuant to this Section 4.04(a) or (II) in the case of a payment, other than interest, to a Lender described in clause (ii) above, to the extent that such Forms do not establish a complete exemption from withholding of such Taxes. Notwithstanding anything to the contrary contained in the preceding sentence or elsewhere in this Section 4.04, the Borrower agrees to pay additional amounts and to indemnify each Lender in the manner set forth in this Section 4.04(a) (without regard to the identity of the jurisdiction requiring the deduction or withholding) in respect of any amounts deducted or withheld by it as described in the immediately preceding sentence as a result of any changes after the Effective Date in any applicable law, treaty, governmental rule, regulation, guideline or order, or in the interpretation thereof, relating to the deducting or withholding of Taxes.

(b) Additional Costs. Subject to Sections 4.04(c), (d) and (e):

(i) Without duplication of any amounts payable described in Section 3.03(c) or 4.03(a), if after the date hereof, any Regulatory Change shall (1) impose, modify or deem applicable any reserve, special deposit or similar requirement against any Lender's Commitment or Loans, (2) subject the Administrative Agent or any Lender to any Taxes (other than (A) Indemnified Taxes, (B) Excluded Taxes (other than Taxes measured by the overall capital or net worth of the Administrative Agent or such Lender) and (C) Other Connection Taxes) on its loans, loan principal, letters of credit, commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto, or (3) impose on any Lender (or such Lender's Applicable Lending Office) any other condition regarding this Agreement, its Commitment or the Loans and the result of any event referred to in clause (1), (2) or (3) shall be to increase the cost to such Lender (or such Lender's Applicable Lending Office) of maintaining its Commitment or any Eurodollar Loans made by such Lender (which increase in cost shall be calculated in accordance with such Lender's reasonable averaging and attribution methods) by an amount which such Lender deems to be material, then, upon demand by such Lender, the Borrower shall pay to the Administrative Agent or such Lender, as the case may be, on demand, an amount equal to such increase in cost; and

(ii) Without duplication of any amounts payable described in Section 3.03(c) or 4.03(a), if any Lender shall have determined that any Regulatory Change

relating to capital adequacy or liquidity (including any Regulatory Change made prior to the date hereof but not effective until after the date hereof), or compliance by such Lender (or such Lender's Applicable Lending Office) with any Regulatory Change regarding capital adequacy or liquidity (whether or not having the force of law), has or would have the effect of, reducing the rate of return on capital for such Lender (or such Lender's Applicable Lending Office) or any corporation controlling such Lender as a consequence of its obligations under this Agreement to a level below that which such Lender (or such Lender's Applicable Lending Office) or such corporation could have achieved but for such Regulatory Change (taking into consideration such Lender's (or such Lender's Applicable Lending Office) or such corporation's policies with respect to capital adequacy or liquidity), then from time to time, upon demand by such Lender, the Borrower shall pay to such Lender, on demand, such additional amount or amounts as will compensate such Lender (or such Lender's Applicable Lending Office) or such corporation for such reduction.

(c) Lending Office Designations. Before making any demand for payment pursuant to this Section 4.04, each Lender shall, if possible, designate a different Applicable Lending Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Lender, be otherwise disadvantageous to such Lender.

(d) Certificate, Etc. In connection with any demand for payment pursuant to this Section 4.04, a Lender shall provide to the Borrower, with a copy to the Administrative Agent, a certificate, signed by an officer of such Lender, setting forth in reasonable detail the basis for such demand, the amount required to be paid by the Borrower to such Lender and the computations made by such Lender to determine such amount.

(e) Limitations; Delay in Requests. The Borrower shall not be obligated to compensate a Lender for any amount under Section 4.04(b) arising or occurring more than (i) 90 days prior to the date on which an office of such Lender primarily responsible for the administration of this Agreement obtains actual knowledge that such Lender is entitled to such compensation or (ii) nine months prior to the date that such Lender notifies the Borrower of the Regulatory Change giving rise to such increased costs or reductions, and of such Lender's intention to claim compensation therefor (except that, if the Regulatory Change giving rise to such increased costs or reductions is retroactive, then the nine-month period referred to above shall be extended to include the period of retroactive effect thereof).

(f) FATCA. If a payment made to a Lender under any Credit Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), to the extent reasonably possible, such Lender shall deliver to the Borrower and the Administrative

Agent at the time or times prescribed by law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this Section 4.04(f), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

(g) Cooperation. The Borrower agrees, upon the request of the Administrative Agent or any Lender, promptly to execute, deliver and complete such forms, certificates and other documents, make such filings and otherwise cooperate with the Administrative Agent or such Lender, in each case as the Administrative Agent or such Lender may reasonably request from time to time, in order for the Administrative Agent or such Lender to establish that the Administrative Agent or such Lender is not subject to, or is entitled to a reduction in the amount of or exemption from, any deduction, withholding or other Taxes with respect to any payments to the Administrative Agent or such Lender for principal, interest, fees or other amounts under the Credit Documents, including United Kingdom HM Revenue & Customs' Form DTTP2.

#### Section 4.05 Funding Impracticable.

If at any time any Lender shall have determined in good faith (which determination shall be conclusive) that the making or maintenance of all or any part of such Lender's Eurodollar Loans has been made impracticable or unlawful because of compliance by such Lender in good faith with any law or guideline or interpretation or administration thereof by any Governmental Authority charged with the interpretation or administration thereof or with any request or directive of such body (whether or not having the effect of law) or because U.S. dollar deposits in the amount and requested maturity of such Eurodollar Loans are not available to such Lender in the London Eurodollar interbank market, then the Administrative Agent, upon notification to it of such determination by such Lender, shall forthwith advise the other Lenders and the Borrower thereof. Upon such date as shall be specified in such notice and until such time as the Administrative Agent, upon notification to it by such Lender, shall notify the Borrower and the other Lenders that the circumstances specified by it in such notice no longer apply, (i) notwithstanding any other provision of this Agreement, such Eurodollar Loans shall, automatically and without requirement of further notice, or any payment pursuant to Section 4.03 or 4.04, by the Borrower, be converted to ABR Loans, and (ii) the obligation of such Lender to make or continue Eurodollar Loans shall be suspended, and, if the Borrower shall request in a Borrowing Request or Conversion Request that the Lenders make a Eurodollar Loan, the Loan requested to be made by such Lender shall instead be made as an ABR Loan.

Section 4.06 Expenses; Indemnity; Damage Waivers.

(a) The Borrower agrees, whether or not any Loan is made, to pay or reimburse the Administrative Agent all of its reasonable out-of-pocket fees and expenses incurred in connection with the development, preparation, negotiation, execution, closing and syndication of, the Credit Documents and the administration of the credit facility established under the Credit Documents and any amendment, supplement or modification thereto (whether or not executed or effective) and any documents prepared in connection therewith, including, without limitation, the reasonable fees and disbursements of counsel to the Administrative Agent and the maintenance of an electronic platform (including without limitation charges of DebtDomain or any similar electronic information platform)) or information transmission systems in connection with this Agreement.

(b) The Borrower agrees to pay all reasonable out-of-pocket fees and expenses incurred by the Administrative Agent and, after the occurrence and during the continuance of an Event of Default, the Joint Lead Arrangers, the Joint Bookrunners or any Lender (including, without limitation, the reasonable fees and disbursements of one counsel to the Administrative Agent, unless (and to the extent) conflicts of interest require the use of more than one counsel) in connection with the enforcement of, and the protection of their respective rights under, any provision of any Credit Document or any amendment or supplement to this Agreement (including all such fees and expenses incurred during any “workout” or restructuring in respect of the Obligations and during any legal proceeding, including any bankruptcy proceeding).

(c) The Borrower agrees to indemnify the Administrative Agent, the Joint Lead Arrangers, the Joint Bookrunners, each of the Lenders and each of their respective Affiliates and their respective directors, officers, employees, agents and advisors (each, an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including counsel fees and expenses, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of any Credit Document or any agreement or instrument contemplated by any Credit Document, the performance by the parties thereto of their respective obligations under any Credit Document or the consummation of the transactions contemplated by any Credit Document, (ii) the use of the proceeds of the Loans or (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and nonappealable judgment to have resulted from the gross negligence or willful misconduct of such Indemnitee. In connection with any claim for indemnification pursuant to this Agreement by more than one Indemnitee, all such Indemnitees shall be represented by the same legal counsel selected by the Indemnitees; provided that if such legal counsel determines in good faith that representing all such Indemnitees is reasonably likely to result in a conflict of interest under laws or ethical

principles applicable to such legal counsel or that a defense or counterclaim is available to an Indemnitee that is not available to all such Indemnitees, then to the extent reasonably necessary to avoid such a conflict of interest or to permit unqualified assertion of such a defense or counterclaim, each Indemnitee shall be entitled to separate representation.

(d) All amounts due under this Section 4.06 shall be payable in immediately available funds upon written demand therefor.

(e) To the fullest extent permitted by applicable law, the Borrower shall not assert, and hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement, any other Loan Document or any agreement or instrument contemplated hereby, the transactions contemplated hereby or thereby, any Loan, or the use of the proceeds thereof. No Indemnitee referred to in paragraph (c) above shall be liable for any damages arising from the use by unintended recipients of any information or other materials distributed by it through telecommunications, electronic or other information transmission systems in connection with this Agreement or the other Loan Documents or the transactions contemplated hereby or thereby.

Section 4.07 Survival.

The provisions of Sections 4.03, 4.04, 4.06 and 9.06, shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the reduction or termination of any Commitments, the invalidity or unenforceability of any term or provision of any Credit Document, or any investigation made by or on behalf of the Lenders.

Section 4.08 Replacement of a Lender.

Notwithstanding anything to the contrary contained herein, if any Lender shall request compensation pursuant to Section 4.04(b)(i) or (ii) then, in each case, the Borrower may require that such Lender transfer all of its right, title and interest under this Agreement and such Lender's Revolving Credit Notes to one or more of the other Lenders or any other lender identified by the Borrower and reasonably acceptable to the Administrative Agent as a Replacement Lender which is willing to assume all of the obligations of such Lender, for consideration equal to the outstanding principal amount of such Lender's Loans, together with interest thereon to the date of such transfer and all other amounts payable under the Credit Documents to such Lender on or prior to the date of such transfer (including, without limitation, any fees accrued hereunder and any amounts which would be payable under Section 4.03 as if all of such Lender's Loans were being prepaid in full on such date). Subject to the execution and delivery of new notes, an Assignment and Acceptance, and such other documents as such Lender may

reasonably require, such Replacement Lender shall be a “Lender” for all purposes hereunder. Without prejudice to the survival of any other agreement of the Borrower hereunder, the agreements of the Borrower contained in Sections 4.04 and 4.06 (without duplication of any payments made to such Lender by the Borrower or the Replacement Lender) shall survive for the benefit of any Lender replaced under this Section 4.08 with respect to the time prior to such replacement.

## ARTICLE V

(ii) the Borrower and each of its Significant Subsidiaries has the corporate (or analogous) power and authority and all necessary governmental licenses, authorizations, consents and approvals material to the ownership of its assets and the carrying on of its business except as would not be reasonably expected to have a Material Adverse Effect;

(iv) the Borrower is duly qualified as a foreign corporation, licensed and in good standing under the laws of each jurisdiction where its ownership, lease or operation of Property or the conduct of its business requires such qualification, except any such failure to be qualified, licensed or in good standing as would not be reasonably expected to have a Material Adverse Effect.

(b) Corporate Authorization; No Contravention. The execution, delivery, and performance by the Borrower of the Credit Documents have been duly authorized by all necessary corporate action and do not and will not:

(i) contravene the terms of the Borrower’s articles of incorporation, bylaws or other organizational document;

(ii) conflict with or result in any breach or contravention of, or the creation of any Lien under, any Contractual Obligation, injunction, order or decree to which the Borrower is a party or by which it is bound; or

(c) Governmental Authorization. No consent, approval, authorization or order of any Governmental Authority is required for due execution, delivery and performance by the Borrower of the Credit Documents.

(d) Binding Effect. This Agreement is, and the Revolving Credit Notes when delivered hereunder will be, legal, valid and binding obligations of the Borrower enforceable against the Borrower in accordance with their respective terms subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

(e) Litigation. There are no actions, suits, proceedings, claims or disputes pending, or to the best knowledge of the Borrower, threatened at law, in equity, in arbitration or before any Governmental Authority, against the Borrower, or its Subsidiaries or any of their respective Property which (i) purport to affect or pertain to this Agreement, or any of the transactions contemplated hereby; or (ii) would reasonably be expected to have a Material Adverse Effect. No injunction, writ, temporary restraining order or any order of any nature has been issued by any court or other Governmental Authority purporting to enjoin or restrain the execution, delivery and performance of any Credit Document or directing that the transactions provided for herein not be consummated as herein provided.

(f) No Default. No Default or Event of Default exists or would result from the incurring of the Obligations by the Borrower under this Agreement. Neither the Borrower, nor any of its Significant Subsidiaries, is in default under or with respect to any Contractual Obligation which, individually or together with all such defaults, would have a Material Adverse Effect.

(g) ERISA Compliance. (i) Each Qualified Plan is in compliance in all material respects with the applicable provisions of ERISA, the Code and other federal or state law, including all requirements under the Code or ERISA for filing reports (which are true and correct in all material respects as of the date filed), and to the best knowledge of the Borrower, benefits have been paid in accordance with the provisions of such Plan.

(ii) Each Qualified Plan has been determined by the IRS to qualify under Section 401 of the Code or is the subject of a favorable IRS opinion letter, the IRS has not determined that any amendment to any Qualified Plan does not qualify under Section 401 of the Code, and the trusts created thereunder have been determined to be exempt from tax under the provisions of Section 501 of the Code, and to the best

knowledge of the Borrower, nothing has occurred which would cause the loss of such qualification or tax-exempt status.

(iii) There is no material outstanding liability under Title IV of ERISA (other than the liability of the Plan to pay benefits) with respect to any Plan maintained or sponsored by the Borrower or any ERISA Affiliate (as to which the Borrower is or may be liable), or with respect to any Plan to which the Borrower or any ERISA Affiliate (wherein the Borrower is or may be liable) contributes or is obligated to contribute.

(iv) None of the Pension Plans has any Unfunded Pension Liability in excess of ten percent (10%) of the Net Worth as to which the Borrower is or may be liable.

(v) No ERISA Event has occurred or is reasonably expected to occur with respect to any Plan maintained or sponsored by the Borrower or to which the Borrower is obligated to contribute.

(vi) There are no pending or, to the best knowledge of the Borrower, threatened claims, actions or lawsuits, other than routine claims for benefits in the usual and ordinary course, asserted or instituted against (i) any Plan maintained or sponsored by the Borrower or its assets, (ii) any ERISA Affiliate with respect to any Qualified Plan of the Borrower, or (iii) any fiduciary with respect to any Plan for which the Borrower may be directly or indirectly liable, through indemnification obligations or otherwise, which would be reasonably likely to have a Material Adverse Effect.

(vii) The Borrower has not incurred nor reasonably expects to incur (i) any liability (and no event has occurred which, with the giving of notice under Section 4219 of ERISA, would result in such liability) under Section 4201 or 4243 of ERISA with respect to a Multiemployer Plan or (ii) any liability under Title IV of ERISA (other than premiums due and not delinquent under Section 4007 of ERISA) with respect to a Qualified Plan except for liability that would not be reasonably expected to have a Material Adverse Effect.

(viii) The Borrower has not transferred any Unfunded Pension Liability to any entity other than an ERISA Affiliate or otherwise engaged in a transaction that could be subject to Section 4069 or 4212(c) of ERISA except as would not be reasonably expected to have a Material Adverse Effect.

(ix) The Borrower has not engaged, directly or indirectly, in a non-exempt prohibited transaction (as defined in Section 4975 of the Code or Section 406 of ERISA) in connection with any Plan which would have a Material Adverse Effect.

(h) Use of Proceeds; Margin Regulations. No Loans will be used, directly or indirectly, (i) to purchase or carry Margin Stock or (ii) to repay or otherwise refinance

indebtedness of the Borrower or others incurred to purchase or carry Margin Stock or (iii) to extend credit for the purpose of purchasing or carrying any Margin Stock.

(i) Title to Property. The Borrower and each of its Significant Subsidiaries has sufficient and legal title in fee simple to or valid leasehold interest in all its real Property, except for such defects in title as could not, individually or in the aggregate, have a Material Adverse Effect. Such Property is free and clear of all Liens, except Permitted Liens.

(j) Taxes. The Borrower and its Subsidiaries have filed all federal and other material tax returns and reports required to be filed and have paid all federal and other material taxes, assessments, fees and other governmental charges levied or imposed upon them or their respective Property, income or assets otherwise due and payable except (a) those which are being contested in good faith by appropriate proceedings and for which adequate reserves have been provided in accordance with GAAP, and (b) those levied or imposed on Subsidiaries other than Significant Subsidiaries the nonpayment of which would not, in the aggregate, have a Material Adverse Effect. To the best knowledge of the Borrower, there is no proposed tax assessment against the Borrower or any of its Subsidiaries which would, if the assessment were made, have a Material Adverse Effect.

(k) Financial Condition.

The audited consolidated balance sheet of SGC and its consolidated Subsidiaries as of December 31, 2016 and the related consolidated statements of income, changes in shareholders' equity and cash flows for the period then ended, copies of which have been furnished to the Administrative Agent and the Lenders, fairly present the consolidated financial condition of SGC and its consolidated Subsidiaries as of, and the results of its operations and cash flows for, the period then ended, applied on a consistent basis. Such financial statements were prepared in accordance with GAAP consistently applied throughout the period covered thereby, are complete and accurate, and show all material indebtedness and other liabilities of SGC and its consolidated Subsidiaries as of the date thereof (including liabilities for taxes and material commitments).

(l) Environmental Matters.

(i) The operations of the Borrower and each of its Subsidiaries comply with all Environmental Laws except where such noncompliance would not have a Material Adverse Effect.

(ii) The Borrower and each of its Subsidiaries have obtained all licenses, permits, authorizations and registrations required under any Environmental Law ("Environmental Permits") necessary for its operations, and all such Environmental Permits are in good standing, and the Borrower and each of its Subsidiaries are in

compliance with all terms and conditions of such Environmental Permits, except where the failure so to obtain, be in good standing or be in compliance would not have a Material Adverse Effect.

(iii) None of the Borrower, any of its Subsidiaries or any of their present Property or operations is subject to any outstanding written order from or agreement with any Governmental Authority or other Person, nor subject to any judicial or docketed administrative proceeding, respecting any Environmental Law, Environmental Claim or Hazardous Material which would have a Material Adverse Effect.

(iv) There are no conditions or circumstances which may give rise to any Environmental Claim arising from the operations of the Borrower or its Subsidiaries which would have a Material Adverse Effect. Without limiting the generality of the foregoing, except as would not, in the aggregate, have a Material Adverse Effect (i) neither the Borrower nor any of its Subsidiaries has any underground storage tanks (x) that are not properly registered or permitted under applicable Environmental Laws or (y) that are leaking or disposing of Hazardous Materials offsite and (ii) the Borrower and its Subsidiaries have notified all of their employees of the existence, if any, of any health hazard arising from the conditions of their employment and have met all notification requirements under Title III of CERCLA or any other Environmental Law.

(m) Investment Company. Neither the Borrower nor any Person controlling the Borrower is an “Investment Company” within the meaning of the Investment Company Act of 1940.

(n) Labor Relations. There are no strikes, lockouts or other labor disputes against the Borrower or any of its Subsidiaries or, to the best of the Borrower’s knowledge, threatened against or affecting the Borrower or any of its Subsidiaries which would have a Material Adverse Effect, and no significant unfair labor practice complaint is pending against the Borrower or any of its Subsidiaries or, to the best knowledge of the Borrower, threatened against any of them before any Governmental Authority which would have a Material Adverse Effect.

(o) Insurance. The Property of the Borrower and its Significant Subsidiaries are insured with financially sound and reputable insurance companies, in such amounts, with such deductibles and covering such risks as is customarily carried by companies engaged in similar businesses and owning similar Property in localities where the Borrower or such Significant Subsidiary operates.

(p) Full Disclosure. None of the representations or warranties made by the Borrower in this Agreement as of the date of such representations and warranties, and none of the statements contained in any certificate furnished by or on behalf of the Borrower in connection with this Agreement contains any untrue statement of a material

fact or omits any material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they are made, not misleading.

(q) Compliance with Applicable Laws. Neither the Borrower nor any Subsidiary is in default with respect to any judgment, order, writ, injunction, decree or decision of any Governmental Authority which default would have a Material Adverse Effect. The Borrower and each Subsidiary is complying in all material respects with all applicable statutes and regulations, including ERISA and applicable occupational, safety and health and other labor laws, of all Governmental Authorities, a violation of which would have a Material Adverse Effect.

(r) Ranking. The Obligations of the Borrower to the Lenders to be undertaken under the Credit Documents rank senior to or pari passu with other Unsecured Debt of the Borrower.

(s) Anti-Corruption Laws and Anti-Terrorism Laws.

(i) None of the Borrower or any of its Subsidiaries or, to the knowledge of the Borrower or any of its Subsidiaries, any director, officer, employee, agent or Affiliate of the Borrower or any of its Subsidiaries is a Person that is, or is owned or controlled by Persons that are: (A) the subject of any Sanctions or (B) located, organized or resident in a country or territory that is, or whose government is, the subject of Sanctions.

(ii) Each of the Borrower and its Subsidiaries has implemented and maintains in effect policies and procedures designed to ensure compliance by the Borrower and each such Subsidiary thereof with Sanctions, Anti-Corruption Laws and Anti-Terrorism Laws.

(iii) The operations of the Borrower and its Subsidiaries are and have been conducted at all times in compliance with all applicable Anti-Corruption Laws and Anti-Terrorism Laws and no action, suit or proceeding by or before any Governmental Authority involving the Borrower or any of its Subsidiaries with respect to any potential violation of the Anti-Corruption Laws or Anti-Terrorism Laws is pending, or to the knowledge of the Borrower threatened. The Borrower has provided to the Administrative Agent and the Lenders all information regarding the Borrower and its Subsidiaries and its Affiliates necessary for the Bank to comply with “know your customer” and Anti-Terrorism Laws and such information is correct.

Section 5.02 Survival.

All representations and warranties made by the Borrower in this Agreement, and in the certificates or other instruments prepared or delivered in connection with or

pursuant to this Agreement, shall (i) be considered to have been relied upon by the Lenders, (ii) survive the making of Loans regardless of any investigation made by, or on behalf of, the Lenders, and (iii) continue in full force and effect as long as the Commitments have not been terminated and, thereafter, so long as any Loan, fee or other amount payable hereunder remains unpaid.

#### Section 9.01 The Agency.

Each Lender appoints The Bank of New York Mellon as its agent hereunder and irrevocably authorizes the Administrative Agent to take such action on its behalf and to exercise such powers hereunder as are specifically delegated to the Administrative Agent by the terms hereof, together with such powers as are reasonably incidental thereto, and the Administrative Agent hereby accepts such appointment subject to the terms hereof. The relationship between the Administrative Agent and the Lenders shall be that of agent and principal only and nothing herein shall be construed to constitute the Administrative Agent a trustee or fiduciary for any Lender nor to impose on the Administrative Agent duties or obligations other than those expressly provided for herein.

#### Section 9.02 The Administrative Agent's Duties.

The Administrative Agent shall promptly forward to each Lender copies, or notify each Lender as to the contents, of all notices received from the Borrower pursuant to the terms of this Agreement and, in the event that the Borrower fails to pay when due the principal of or interest on any Loan, the Administrative Agent shall promptly give notice thereof to the Lenders. As to any other matter not expressly provided for herein, the Administrative Agent shall have no duty to act or refrain from acting with respect to the Borrower, except upon the instructions of the Required Lenders. The Administrative Agent shall not be bound by any waiver, amendment, supplement, or modification of this Agreement which affects its duties hereunder, unless it shall have given its prior written consent thereto. The Administrative Agent shall have no duty to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements binding on the Borrower pursuant to this Agreement nor shall the Administrative Agent be deemed to have knowledge of the occurrence of any Default or Event of Default (other than a failure of the Borrower to pay when due the principal or interest on any Loan), unless it shall have received written notice from the Borrower or a Lender specifying such Default or Event of Default and stating that such notice is a "Notice of Default".

Section 9.03 Limitation of Liabilities.

Each of the Lenders and the Borrower agree that (i) neither the Administrative Agent nor any of its officers or employees shall be liable for any action taken or omitted to be taken by any of them hereunder except for its or their own gross negligence or willful misconduct as determined by a final and nonappealable ruling by a court of competent jurisdiction, (ii) neither the Administrative Agent nor any of its officers or employees shall be liable for any action taken or omitted to be taken by any of them in good faith in reliance upon the advice of counsel, independent public accountants or other experts selected by the Administrative Agent, and (iii) the Administrative Agent shall be entitled to rely upon any notice, consent, certificate, statement or other document believed by it to be genuine and correct and to have been signed and/or sent by the proper Persons.

Section 9.04 The Administrative Agent as a Lender.

The Administrative Agent may maintain deposits or credit balances for, invest in, lend money to and generally engage in any kind of banking business with the Borrower or any Subsidiary or Affiliate of the Borrower without any duty to account therefor to the Lenders.

Section 9.05 Lender Credit Decision.

Neither the Administrative Agent, nor any of its Affiliates, officers or employees has any responsibility for, gives any guaranty in respect of, nor makes any representation to the Lenders as to, (i) the condition, financial or otherwise, of the Borrower or any Subsidiary thereof or the truth of any representation or warranty given or made in this Agreement, or in connection herewith or (ii) the validity, execution, sufficiency, effectiveness, construction, adequacy, enforceability or value of this Agreement or any other document or instrument related hereto. Except as specifically provided herein, neither the Administrative Agent nor any of its Affiliates, officers or employees shall have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect to the operations, business, property, condition or creditworthiness of the Borrower or any of its Subsidiaries, whether such information comes into the Administrative Agent's possession on or before the date hereof or at any time thereafter. Each Lender acknowledges that (i) it has, independently and without reliance upon the Administrative Agent or any other Lender, based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement and (ii) all information reviewed by it in its credit analysis or otherwise in connection herewith has been provided solely by or on behalf of the Borrower, and the Administrative Agent has no responsibility for such information. Each Lender also acknowledges that it will independently and without reliance upon the Administrative Agent or any other Lender, based on such documents and information as it shall deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under any Credit Document.

#### Section 9.06 Indemnification.

Each Lender agrees to indemnify the Administrative Agent, to the extent not reimbursed by the Borrower, ratably in proportion to its Commitment, from and against any and all liabilities, obligations, losses, claims, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may be imposed on, incurred by, or asserted against the Administrative Agent in any way relating to or arising out of this Agreement, or any action taken or omitted to be taken by the Administrative Agent hereunder; provided, that no Lender shall be liable for any portion of such liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements resulting from the gross negligence or willful misconduct of the Administrative Agent or any of its officers or employees as determined by a final and nonappealable ruling by a court of competent jurisdiction. Without limiting the foregoing, each Lender agrees to reimburse the Administrative Agent promptly upon demand for its ratable share of any out-of-pocket expenses (including fees and disbursements of counsel incurred by the Administrative Agent) in connection with the preparation, execution or enforcement of, or legal advice in respect of rights or responsibilities under, any Credit Document or any amendments or supplements thereto, to the extent that the Administrative Agent is not reimbursed for such expenses by the Borrower. Except for action expressly required of the Administrative Agent hereunder, the Administrative Agent shall in all cases be fully justified in failing or refusing to act hereunder unless it shall receive further assurances to its satisfaction from the Lenders of their indemnification obligations under this Section 9.06 against any and all liability and expense that may be incurred by it by reason of taking or continuing to take any such action.

#### Section 9.07 Successor Administrative Agent

The Administrative Agent may resign at any time by giving 30 days' prior written notice thereof (unless the parties agree otherwise) to the Lenders and the Borrower. Upon any such resignation, the Required Lenders shall have the right to appoint a successor Administrative Agent reasonably acceptable to the Borrower. If no successor Administrative Agent shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the resigning Administrative Agent's giving of notice of resignation, the resigning Administrative Agent may appoint a successor Administrative Agent, which shall be a commercial bank organized or licensed under the laws of the United States of America or of any State thereof and having a combined capital and surplus of at least \$250,000,000. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor Administrative Agent, such successor Administrative Agent shall thereupon succeed to and become vested with all the rights, powers, privileges and duties of the resigned Administrative Agent, and the resigned Administrative Agent shall be discharged from its duties and obligations under this Agreement. After any Administrative Agent's resignation, the provisions of this

Article IX shall continue to inure to its benefit as to any actions taken or omitted to be taken by it while it was Administrative Agent under this Agreement.

Section 9.08 No Duty Regarding Discretionary Actions

The Administrative Agent shall not have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby or by the other Credit Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall be expressly provided for herein or in the other Credit Documents), provided that the Administrative Agent shall not be required to take any action that, in its opinion or the opinion of its counsel, may expose the Administrative Agent to liability or that is contrary to any Credit Document or applicable law.

Section 9.09 Syndication and Other Agents

Notwithstanding anything herein to the contrary, the Joint Lead Arrangers, the Joint Bookrunners and the Co-Syndication Agents named on the cover page of this Agreement shall not have any duties or liabilities under this Agreement, except in their respective capacities, if any, as Lenders.

The Borrower's obligation to repay the Loans shall be evidenced by Revolving Credit Notes if requested by each Lender, one such payable to the order of each such Lender. The Revolving Credit Note of each Lender shall (i) be in the principal amount of such Lender's Commitment, (ii) be dated the Effective Date (or the effective date on which such Lender becomes a Lender hereunder) and (iii) be stated to mature on the Termination Date and bear interest from its date until maturity on the principal balance (from time to time outstanding thereunder) payable at the rates and in the manner provided herein. Each Lender is authorized to indicate upon the grid attached to its Revolving Credit Note all Loans made by it pursuant to this Agreement, interest elections and payments of principal and interest thereon. Such notations shall be presumptive, absent manifest error, as to the aggregate unpaid principal amount of all Loans made by such Lender, and interest due thereon, but the failure by any Lender to make such notations or the inaccuracy or incompleteness of any such notations shall not affect the obligations of the Borrower hereunder or under the Revolving Credit Notes.

## Section 10.02 Participations.

(a) Any Lender may at any time grant to one or more financial institutions (but not to a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each a "Participant") participating interests in its Commitment or any or all of its Loans. In the event of any such grant by a Lender of a participating interest to a Participant, whether or not upon notice to the Borrower and the Administrative Agent, such Lender shall remain responsible for the performance of its obligations hereunder, and, except to the extent such participating interest has been granted pursuant to Section 4.02(e), the Borrower and the Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, that such participation agreement may provide that such Lender will not agree to any modification, amendment or waiver of this Agreement described in clauses (i) through (vi), inclusive, of Section 11.06(b) without the consent of the Participant.

(b) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under this Agreement (the "Participant Register"); provided that no Lender shall have any obligation to disclose any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant's interest in any Commitments, Loans, or its other obligations under this Agreement) except to the extent that such disclosure is necessary to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

(c) The Borrower agrees that each Participant shall be entitled to the benefits of Sections 4.03 and 4.04(b) (subject to the requirements and limitations in Section 4.04, including the requirements under Section 4.04(a) (it being understood that the documentation required under Section 4.04(a) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to Section 10.03; provided that such Participant (A) agrees to be subject to the provisions of Section 4.08 as if it were an assignee under Section 10.03; and (B) shall not be entitled to receive any greater payment under Section 4.04(b), with respect to any participation, than its participating Lender would have been entitled to

receive, except to the extent such entitlement to receive a greater payment results from a Regulatory Change that occurs after the Participant acquired the applicable participation.

(d) To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 11.04 as though it were a Lender; provided that such Participant agrees to be subject to Section 4.02(e) as though it were a Lender.

Section 10.03 Assignments.

(a) Any Lender may at any time assign to one or more financial institutions (but not to a natural Person, or a holding company, investment vehicle or trust for, or owned and operated for the primary benefit of, a natural Person, or the Borrower or any of the Borrower's Affiliates or Subsidiaries) (each an "Assignee"), other than a Defaulting Lender or a subsidiary thereof or any financial institution who, upon becoming a Lender hereunder, would constitute a Defaulting Lender or a subsidiary thereof, all, or a proportionate part of all, of its rights and obligations under this Agreement, and such Assignee shall assume such rights and obligations, pursuant to an instrument, in substantially the form of Exhibit E (an "Assignment and Acceptance"), executed by such Assignee and such transferring Lender, with (and subject to) the signed consent of the Borrower (which consent shall not be unreasonably withheld or delayed and which consent shall be deemed to have been given if the Borrower has not responded within ten Business Days of its receipt of a written request for such consent) and the Administrative Agent (which consent shall not be unreasonably withheld); provided that (i) each such assignment (other than assignments (x) to its Affiliates or (y) its entire interest) shall be in a minimum amount of \$10,000,000 or in integral multiples of \$1,000,000 in excess thereof (unless otherwise approved by the Administrative Agent in its sole discretion), (ii) each assignee shall be an Eligible Institution, and (iii) after giving effect to each such assignment, the Commitment of the assignor (if it has not assigned its entire interest) and of the assignee shall be at least \$5,000,000; provided further, that the foregoing consent requirement shall not be applicable in the case of an assignment or other transfer by any Lender to an Affiliate of such Lender or to another Lender; provided further, that any consent of the Borrower otherwise required under this Section shall not be required if an Event of Default has occurred and is continuing. Upon execution and delivery of an Assignment and Acceptance and payment by such Assignee to such transferring Lender of an amount equal to the purchase price agreed between such transferring Lender and such Assignee and payment by the transferring Lender or the Assignee of an assignment fee of \$4,500 (or \$7,500, if the transferring Lender is a Defaulting Lender) to the Administrative Agent (unless such fee is waived by the Administrative Agent in its sole discretion), such Assignee shall be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment as set forth in such Assignment and Acceptance, and the transferring Lender shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required.

(b) No Assignee of any transferring Lender's rights shall be entitled to receive any greater payment under Section 4.03 or 4.04 than such Lender would have been entitled to receive with respect to the rights transferred, unless such transfer is made with the Borrower's prior written consent or by reason of the provisions of Section 4.04(c) requiring such transferring Lender to designate a different Applicable Lending Office under certain circumstances or at a time when the circumstances giving rise to such payment did not exist.

(c) The Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive, and the Borrower, the Administrative Agent and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

Section 10.04 Certain Pledges.

Notwithstanding any other provision in this Agreement, any Lender may at any time create a security interest in, or pledge, all or any portion of its rights under this Agreement and any Revolving Credit Note held by it in favor of any Federal Reserve Bank in accordance with Federal Reserve Board Regulation A (or any successor provision) or U.S. Treasury Regulation 31 C.F.R. § 203.14 (or any successor provision), and such Federal Reserve Bank may enforce such pledge or security interest in any manner permitted under applicable law.

**Section 11.01 APPLICABLE LAW.**

**Section 11.02 WAIVER OF JURY TRIAL.**

**THE BORROWER, THE ADMINISTRATIVE AGENT AND THE LENDERS EACH HEREBY WAIVES TRIAL BY JURY IN ANY JUDICIAL PROCEEDING INVOLVING, DIRECTLY OR INDIRECTLY, ANY MATTER (WHETHER SOUNDING IN TORT, CONTRACT OR OTHERWISE) IN ANY WAY ARISING OUT OF, RELATED TO, OR CONNECTED WITH THIS AGREEMENT, THE REVOLVING CREDIT NOTES OR THE RELATIONSHIPS ESTABLISHED HEREUNDER.**

**Section 11.03 Jurisdiction and Venue.**

The Borrower, the Administrative Agent and the Lenders each hereby irrevocably submits to the non-exclusive jurisdiction of any state or federal court in the Borough of Manhattan, The City of New York for the purpose of any suit, action, proceeding or judgment relating to or arising out of any Credit Document. The Borrower, the Administrative Agent and the Lenders each hereby irrevocably consents to the jurisdiction of any such court in any such action and to the laying of venue in the Borough of Manhattan, The City of New York. The Borrower, the Administrative Agent and the Lenders each hereby irrevocably waives, to the fullest extent permitted by applicable law, any objection to the laying of the venue of any such suit, action or proceeding brought in the aforesaid courts and hereby irrevocably waives any claim that any such suit, action or proceeding brought in any such court has been brought in an inconvenient forum.

**Section 11.04 Set-off.**

The Borrower hereby authorizes each Lender (including each Lender in its capacity as a purchaser of a participation interest pursuant to Section 4.02(e)) upon the occurrence of an Event of Default and at any time and from time to time during the continuance thereof, to the fullest extent permitted by law, to set off and apply any and all deposits (whether general or special, time or demand, provisional or final and in whatever currency) at any time held, and other indebtedness at any time owing, by such Lender to or for the credit or the account of the Borrower against any of the Obligations of the Borrower, now or hereafter existing under any Credit Document, held by such Lender, irrespective of whether such Lender shall have made any demand under this Agreement and although such obligations may be unmatured; provided, that in the event that any Defaulting Lender shall exercise any such right of setoff, (x) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.06 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders, and (y) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The rights of each Lender under this Section 11.04 are in addition to other

rights and remedies (including other rights of set-off) which such Lender may have. Any Lender exercising its rights under this Section 11.04 shall give notice thereof to the Borrower and the Administrative Agent concurrently with or prior to the exercise of such rights; provided that failure to give such notice shall not affect the validity of such exercise.

Section 11.05 Confidentiality.

(a) The Lenders and the Administrative Agent agree (on behalf of themselves and each of their Affiliates, directors, officers, employees and representatives) to take normal and reasonable precautions and exercise due care to maintain the confidentiality of all non-public information provided to them by the Borrower or any Subsidiary or by the Administrative Agent on the Borrower's or any Subsidiary's behalf in connection with this Agreement and neither the Administrative Agent, any Lender, nor any of their Affiliates, directors, officers, employees and representatives shall use any such information for any purpose or in any manner other than pursuant to the terms contemplated by this Agreement, except to the extent such information (a) was or becomes generally available to the public other than as a result of a disclosure by the Administrative Agent or any Lender, or (b) was or becomes available on a non-confidential basis from a source other than the Borrower, provided that such source is not bound by a confidentiality agreement with the Borrower known to the Administrative Agent or affected Lender(s); provided that nothing herein shall limit the disclosure of any such information (i) to the extent required by statute, rule, regulation or judicial process; (ii) to counsel for any of the Lenders or the Administrative Agent; (iii) to bank examiners, auditors or accountants; (iv) to the Administrative Agent or any other Lender; (v) by the Administrative Agent or any Lender to an Affiliate thereof who is bound by this Section 11.05; provided that any such information delivered to an Affiliate shall be for the purposes related to the extension of credit represented by this Agreement and the administration and enforcement thereof and for no other purpose; (vi) in connection with any litigation relating to enforcement of the Credit Documents; (vii) to any assignee or participant (or prospective assignee or participant) so long as such assignee or participant (or prospective assignee or participant) first executes and delivers to the respective Lender a Confidentiality Agreement, in substantially the form of Exhibit F; or (viii) on a confidential basis to the CUSIP Service Bureau or any similar agency in connection with the issuance and monitoring of CUSIP numbers with respect to the credit facility established hereunder. Each Lender and the Administrative Agent agree, unless specifically prohibited by applicable law or court order, to notify the Borrower of any request for disclosure of any such non public information (x) by any Governmental Authority or representative thereof (other than any such request in connection with an examination of such Person's financial condition by such Governmental Authority) or (y) pursuant to legal process. In addition, the Administrative Agent and the Lenders may disclose the existence of this Agreement and information about this Agreement to market data collectors, similar service providers to the lending industry and service providers to

the Administrative Agent and the Lenders in connection with the administration of this Agreement, the other Credit Documents, and the Commitments.

(b) This Agreement is intended to provide express authorization to each of the Lenders and their Affiliates (and each employee, representative, or other agent of each Lender and its of Affiliates) to disclose to any and all Persons, without limitation of any kind, the “tax treatment” and “tax structure” (in each case, within the meaning of Treasury Regulation Section 1.6011-4) of the transactions contemplated hereby and all materials of any kind (including opinions or other tax analyses) that are provided to the Lenders or any of them or any of their Affiliates (and any such employees, representatives or other agents) relating to such tax treatment and structure; provided, that, with respect to any document or similar item that in either case contains information concerning the tax treatment or tax structure of the transactions contemplated hereby as well as other information, this authorization shall only apply to such portions of the document or similar item that relate to the tax treatment or tax structure of the transactions contemplated hereby.

Section 11.06 Integration; Amendments and Waivers.

(a) This Agreement and any separate letter agreements with respect to fees payable by the Borrower with respect to this Agreement constitute the entire agreement among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof.

(b) Any provision of this Agreement may be amended, modified, supplemented or waived, but only by a written amendment or supplement, or written waiver, signed by the Borrower and either the Required Lenders (and, if the rights or duties of the Administrative Agent are affected thereby, by the Administrative Agent), or the Administrative Agent with the consent of the Required Lenders; provided, however, that no such amendment, modification, or waiver shall, unless signed by all the Lenders in the case of clauses (v) and (vi) below or all the Lenders affected thereby in the case of clauses (i) through (iv) below, or by the Administrative Agent with the consent of all the Lenders in the case of clauses (v) and (vi) below or all the Lenders affected thereby in the case of clauses (i) through (iv) below, (i) increase or decrease the Commitment of any Lender, except as contemplated by Section 2.03, or subject any Lender to any additional obligation, (ii) reduce the principal of or rate of interest on any Loan or any fees hereunder (other than the default rate set forth in Section 3.04), (iii) postpone any payment of principal of or interest on any Loan or any fees hereunder, (iv) postpone any reduction or termination of any Commitment, (v) change the percentage of, the Commitments or of the aggregate unpaid principal amount of Loans, or the number of Lenders, which shall be required for the Lenders or any of them to take any action under this Section 11.06 or any other provision of this Agreement, or (vi) amend, modify, supplement or waive the provisions of this Section 11.06. Except to the extent expressly

set forth therein, any waiver shall be effective only in the specific instance and for the specific purpose for which such waiver is given.

Section 11.07 Cumulative Rights; No Waiver.

(a) Each and every right granted to the Administrative Agent and the Lenders hereunder or under any other document delivered in connection herewith, or allowed them by law or equity, shall be cumulative and not exclusive and may be exercised from time to time. No failure on the part of the Administrative Agent or any Lender to exercise, and no delay in exercising, any right will operate as a waiver thereof, nor will any single or partial exercise by the Administrative Agent or any Lender of any right preclude any other or future exercise thereof or the exercise of any other right.

Section 11.08 Notices.

If to any Lender, at its address indicated on Schedule I hereto, or at such other address as may be designated by such Lender in an Administrative Questionnaire or other appropriate writing, delivered to the Administrative Agent and the Borrower.

This Section 11.08 shall not apply to notices referred to in Article II of this Agreement, except to the extent set forth therein.

(b) Notices and other communications sent by hand or overnight courier service, or mailed by certified or registered mail, shall be deemed to have been given when received; notices and other communications sent by telecopier shall be deemed to have been given when sent (except that, if not given during normal business hours for the recipient, shall be deemed to have been given at the opening of business on the next business day for the recipient). Notices and other communications delivered through electronic communications to the extent provided in subsection (c) below, shall be effective as provided in such subsection (c).

(c) Notices and other communications to the Lenders hereunder may be delivered or furnished by electronic communication (including e-mail and Internet or intranet websites) pursuant to procedures approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender pursuant to Article II if such Lender has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic communication. The Administrative Agent or the Borrower may, in its discretion, agree to accept notices and other communications to it hereunder by electronic communications pursuant to procedures approved by it, provided that approval of such procedures may be limited to particular notices or communications. Unless the Administrative Agent otherwise prescribes, (i) notices and other communications sent to an e-mail address shall be deemed received upon the sender's receipt of an acknowledgement from the intended recipient (such as by the "return receipt requested" function, as available, return e-mail or other written acknowledgement), provided that if such notice or other communication is not sent during the normal business hours of the recipient, such notice or communication shall be deemed to have been sent at the opening of business on the next business day for the recipient, and (ii) notices or communications posted to an Internet or intranet website shall be deemed received upon the deemed receipt by the intended recipient at its e-mail address as described in the foregoing clause (i) of notification that such notice or communication is available and identifying the website address therefor.

(d) The Borrower hereby agrees, unless directed otherwise by the Administrative Agent or unless the email address referred to below has not been provided by the Administrative Agent to the Borrower, that it will provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Lenders or the Administrative Agent pursuant to this Agreement, excluding (i) any Borrowing Request, Conversion Request, Increase Request or Extension Request or any communication related thereto, (ii) any communication that relates to the payment of any principal or other amount due under this Agreement prior to the scheduled date therefor, (iii) notice of any Default or Event of Default under this Agreement or any other Credit Document or (iv) any notice that is required to be delivered to satisfy any condition precedent to the effectiveness of this Agreement and/or any borrowing or other extension of credit hereunder (all such non-excluded communications being referred to herein collectively as "Communications"), by transmitting the Communications in an electronic format acceptable to the Administrative Agent to an email address as directed by the Administrative Agent.

(e) The Borrower acknowledges that the Administrative Agent will make available to the Lenders Communications provided by the Borrower hereunder by posting such Communications on DebtDomain or another similar electronic platform. Such platform shall be deemed to be provided "as is" and "as available". Neither the Administrative Agent nor any of its directors, officers, employees, agents or advisors warrants the accuracy or completeness of the communications or the adequacy of such electronic platform and each expressly disclaims liability for errors or omissions in the

communications. The Administrative Agent makes no warranty of any kind, express, implied or statutory, including any warranty of merchantability, fitness for a particular purpose, non-infringement of third party rights or freedom from viruses or other code defects in connection with the Communications or such electronic platform. In no event shall the Administrative Agent or any of its directors, officers, employees, agents or advisors have any liability to the Borrower, any Lender or any other Person for damages of any kind, whether or not based on strict liability and including direct or indirect, special, incidental or consequential damages, losses or expenses (whether in tort, contract or otherwise) arising out of the Borrower's or the Administrative Agent's transmission of Communications electronically, except to the extent the liability of any such person is found in a final and nonappealable ruling by a court of competent jurisdiction to have resulted primarily from such Person's gross negligence or willful misconduct, and no claim may be made by the Borrower or any other Person against the Administrative Agent or any of its directors, officers, employees, agents or advisors for any special, indirect, consequential or punitive damages in respect of any claim for breach of contract or any other theory of liability.

(f) The Administrative Agent and the Lenders shall be entitled to rely and act upon any notices given by the Borrower even if such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein. All telephonic notices to and other communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

Section 11.09 Separability.

In case any one or more of the provisions contained in any Credit Document shall be invalid, illegal or unenforceable in any respect under any law, the validity, legality and enforceability of the remaining provisions contained herein or in any other Credit Document shall not in any way be affected or impaired thereby.

Section 11.10 Parties in Interest.

This Agreement shall be binding upon and inure to the benefit of the Borrower and the Lenders and their respective successors and assigns, except that the Borrower may not assign any of its rights hereunder without the prior written consent of all of the Lenders, and any purported assignment by the Borrower without such consent shall be void.

Section 11.11 Execution in Counterparts.

This Agreement may be executed in any number of counterparts and by the different parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all the counterparts, including counterparts delivered by

telecopy or electronic format (including .pdf), shall together constitute one and the same instrument.

Section 11.12 USA Patriot Act Notice.

Each Lender hereby notifies the Borrower that pursuant to the requirements of the USA Patriot Act (Title III of Pub. L. 107-56 (signed into law October 26, 2001)) (the "Act"), it is required to obtain, verify and record information that identifies the Borrower and its Subsidiaries, which information includes the names, addresses and tax identification numbers of the Borrower and its Subsidiaries, and other information that will allow such Lender to identify the Borrower and its Subsidiaries in accordance with the Act.

Section 11.13 Acknowledgment and Consent to Bail-In of EEA Financial Institutions.

Notwithstanding anything to the contrary in any Credit Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Credit Document, to the extent such liability is unsecured, may be subject to the Write-Down and Conversion Powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Credit Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the Write-Down and Conversion Powers of any EEA Resolution Authority.

[THE REMAINDER OF THIS PAGE INTENTIONALLY LEFT BLANK]

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.
