## **All Employee Annual Meeting Update Letter**

---

**Subject: YOUR VOTE IS ESSENTIAL-** Please vote using your WHITE proxy card for the Annual Meeting of Stockholders

As you may be aware, Southwest Gas Holdings (“Southwest Gas” or “Company”) has recently gained the attention of an activist investor, Carl Icahn. Over the last several months, you may have already seen Southwest Gas press releases and read news about Mr. Icahn wanting to gain control of Southwest Gas by offering to purchase all the stock he does not currently own. Mr. Icahn also wishes to replace our entire Board of Directors with individuals he has personally selected through a proxy contest where stockholders vote to elect the board members. For those who wish to know more about Southwest Gas’ response to Mr. Icahn’s unsolicited offer to gain control of the Company, please visit [www.SWXBuildingValue.com](http://www.SWXBuildingValue.com).

Southwest Gas made strategic moves to continue to position the Company for growth, unlocking value and benefits for stockholders. First, Southwest Gas acquired Dominion Energy Questar Pipeline, now MountainWest Pipelines. Then, after thorough analysis and preparation, Southwest Gas announced the separation of Centuri Group into an independent company. With the acquisition of MountainWest Pipelines and separation of Centuri, Southwest Gas is positioned for continued success as a fully regulated natural gas business and poised for growth as a leader in the nation’s energy transition.

We appreciate your steadfast commitment to providing our customers with reliable and excellent service with an impressive focus on safety and quality. Please know the Board of Directors and Company leaders have our employees, customers, communities and stockholders in mind when making any strategic decisions. Your trust in us is important and greatly appreciated.

Many Southwesterners are also stockholders of Southwest Gas. You are likely aware that the Annual Meeting of Stockholders is coming up. It’s important that you understand that this year is different than other years. **YOUR VOTE IS CRUCIAL**. Please support your Board and management team by **voting “FOR ALL” of the Board’s nominees on the WHITE proxy card that you will be receiving in the near future**. Be sure to vote promptly (as soon as you receive the proxy materials), and remember that the deadlines to submit your proxy will be different depending on how you own your shares (e.g. in your own name, via the Fidelity 401(k) or with a bank or brokerage). Mr. Icahn may send you proxy materials with a gold proxy card – and we strongly urge you NOT to vote using any gold proxy card because only the latest-dated proxy card will count. Please refer to the instructions at the end of this message for details on how to vote using your **WHITE** proxy card.

On behalf of the Southwest Gas Board and management team, we sincerely appreciate your support. Thank you.
